

# 4 STRENGTHS

- + FEATURES
- + ROBUSTNESS
- + VERSATILITY
- + EFFICIENCY

- ✓ **Plinth for mops (filter included)**  
Only available for valve models:
  - Special washing programs for mops.
  - Filter for dirt and sand.

- ✓ **Plinth for water recovery (tank included):**
  - Water and energy savings.

## WASHERS HPW - 8&10

- ✓ High spin washer extractor. Soft mounted.
- ✓ G Factor 450.
- ✓ Grey skinplate body. AISI 304 Stainless steel drum and tub.
- ✓ Detergent manual dispenser with 4 compartments.
- ✓ 8 signals for automatic liquid dosing, programmable in time and delay. Plus 6 extra signals as option.
- ✓ 2 water inlets (hot and cold).
- ✓ These machines have electronic control of imbalance with frequency inverter, that detects the unbalanced load before spinning. Standard frequency: 50 - 60 Hz.
- ✓ New microprocessor **TOUCH II** with touch screen. 29 preset programs.
- ✓ Possibility of programming, exporting and importing programs without limit and software updates, through a USB drive.
- ✓ **DOMUS CONNECT:** options of a communication kit, the IOT solution to manage the laundry, monitor machines, etc. from the cloud.
- ✓ Traceability standard: All washing process (temperatures, water levels) is stored in the washer and can be extracted to a PC by means of a USB drive.
- ✓ **WET CLEANING:** available with TOUCH II to create the best programs. Fully adjustable water levels and washing speed for delicate garments.

## DRYERS HPD - 8&10

- ✓ Heavy professional tumble dryers. Capacity: 8 & 10kg.
- ✓ Sturdy construction, grey skinplate panels.
- ✓ Industrial aluminium door and large diameter.
- ✓ **TOUCH II** microprocessor: 4,3" touchscreen, fully programmable. Convertible for coin.
- ✓ Digital M programmer, also transformable to coin laundry version.
- ✓ **WET CLEANING:** available with TOUCH II to create the best programs. Fully adjustable temperatures (drum inlet and outlet) and possibility to create programs by phases.
- ✓ USB port in TOUCH II models, to program, import, export, manage and monitor.
- ✓ Versatile machine, same model for coin and OPL.
- ✓ Stackable on top of the HPW washer or another HPD dryer, with controls at the bottom of the dryer, between both drums.
- ✓ **DOMUS CONNECT:** options of a communication kit, the IOT solution to manage the laundry, monitor machines, etc. from the cloud.
- ✓ **FULL SCREEN FILTER** Wide fluff filter drawer, not in the door.

THE NEW CONCEPT  
IN LAUNDRY:  
**HEAVY PROFESSIONAL LAUNDRY.**

Heavy Professional Laundry, specifically designed for your own business. A range tailored to meet the needs of your professional activity, such as hotels, nurseries, schools, clinics, restaurants, gyms, etc.

Heavy Professional Laundry is the answer by Domus to the needs of a different client. A customer that demands equally robust, programmable, efficient and environmentally friendly machines, like its industrial models, and with identical benefits, but with greater versatility, a more manageable size and a more affordable price. Perfectly equipped to give you a quality, fast, flexible and economic service.

Just the one you need.

Welcome to Heavy Professional Laundry.
